Yes, they recently submitted their application. I'm out of town at a conference, but I will have someone from the office forward the application.

Thank you,

Craig,

We noticed that the permit issued to BOE on October 22, 2018 has an expiration date of April 30, 2019. Have they submitted a reapplication yet? If not, when was it due? If so, can we get a copy (or did we miss it in the 308 response)?

Thanks,
Paul
